October 25, 2023

Q1. In the documentation provided for bid #1023-1 (system wide plumbing), point 3 under section V (“Bid Process and Guidelines”) states that the bidder must “provide responses to bid section III. Bidder Qualifications, provide all requested forms[, and] attend pre-bidders conference. Bidders that fail to provide all of the requested information and attend a pre-bidders conference may be deemed non-responsive in the sole judgement of the Library.” However, there does not appear to be any information regarding such a conference either in the bid documentation or on the procurement opportunities page on the QPL website. Is this a standard template requirement that was left in erroneously, or is there indeed a pre-bidders conference for this bid; and if the latter, what are the details for such?

A1. There is no pre-bidders conference for this bid.
