Two Paths to the HSE

Queens Library Adult Learner Program provides two paths to the HSE. These two options meet the needs of most people that are seeking to obtain their high school diploma.

Option #1: The TASC

Test Assessing Secondary Completion™ or TASC replaced the GED test in New York State in 2014. The TASC is a state-of-the-art, affordable national high school equivalency assessment that assesses five subject areas including Reading, Writing, Mathematics, Science, and Social Studies.

It measures examinees’ levels of achievement relative to that of graduating high school seniors, and career and college readiness, as outlined by the Common Core State Standards.

In partnership with NYS Education Department, Queens Library’s Adult Learner Program is proud to administer the TASC test at four test center locations in Queens.

The TASC Test Centers are
- Central ALC: 718-990-0754
- Flushing ALC: 718-661-1241
- Long Island City ALC: 718-752-3723
- Peninsula ALC: 718-945-7058

Visit our website for more information: http://www.queenslibrary.org/services/adult-literacy/adult-learner-program/hse-resources.
Steps to Take TASC

1. Visit a Queens Library Adult Learning Center (ALC) for a screening.
2. Score a 9.0 level on the TABE Reading Level D.
3. Pass all minimum levels on TASC Readiness Assessment.
4. Register for next available test date.

If you qualify, please bring a copy of valid ID and proof of address.

Visit our website for more information: http://www.queenslibrary.org/services/adult-literacy/adult-learner-program/hse resources

Students that don’t meet the minimum requirements to take the TASC should register for a pre-HSE test prep class, please visit or contact any of our 7 Adult Learning Centers.

Option #2: The National External Diploma Program (NEDP)

The NEDP program is geared towards those who prefer an alternate route to the High School Equivalency diploma. The NEDP assesses high school level skills awarding a traditional diploma so graduates can meet their academic and career goals.

- Designed for self-directed youth and adults with life and work experiences and a general familiarity with the computer.
- Offers flexible scheduling and confidentiality.
- Evaluates 70 competencies in ten content areas including Financial Literacy, Health Literacy, Civic Literacy, Geography, History, Science, and Twenty-First Century Workplace.
- Evaluates competencies that are based on skills outlined in the Common Core College and Career Readiness standards.

Steps to Join the NEDP

- Must be 21 years or older
- Score a 9.0 level or higher on TABE D Reading and Math
- Attend the NEDP program orientation
- Pass CASAS diagnostic exam

For more information about how to register for the program, visit the website above, or email at: alpref@queenslibrary.org.
