The following words and expressions, or pronouns used in their stead, shall, wherever they appear in this Agreement, be construed as follows, unless a different meaning is clear from the context:

- C. "Consultant" or "Contractor" shall mean the entity entering into this Agreement with the Library.
- D. "Days" shall mean calendar days unless otherwise specifically noted to mean business days.
- E. "Law" or "Laws" shall mean the Constitutions of the United States and the State of New York; a statute of the United States or of the State of New York; the New York City Charter; the New York City Administrative Code; a local law of the City of New York; and any ordinance, rule or regulation having the force of law.
- F. "Library" shall mean the Queens Borough Public Library.
- G. "State" shall mean the State of New York.

ARTICLE 2 - REPRESENTATIONS, WARRANTIES AND AFFIRMATIONS

Section 2.01 Performance and Deliverables

Contractor warrants that: (a) Contractor has the proper skill, training, and background so as to be able to perform in a competent and professional manner and that all work shall be performed in accordance with the requirements delineated in this Agreement; (b) the Library shall receive free, good, and clear title to all materials and Deliverables developed under this Agreement; (c) each and every Deliverable shall conform to the Deliverable specifications set forth in this Agreement; and (d) during the term of this Agreement, Contractor shall, at no charge to the Library, correct any defects in the Deliverables in the Library's possession.

Section 2.02 Procurement of Agreement

A. The Contractor represents and warrants that no payment, gift or thing of value has been made, given or promised to obtain this or any other agreement between the Parties. The Contractor makes such representations and warranties to induce the Library to enter into this Agreement and the Library relies upon such representations and warranties in the execution of this Agreement.

B. For a breach or violation of such representations or warranties, the Library shall have the right to annul this Agreement without liability, entitling the Library to recover all monies paid hereunder and the Contractor shall not make a claim for, or be entitled to recover, any sum or sums due under this Agreement. This remedy, if effected, shall not constitute the sole remedy afforded the Library for falsity or breach, nor shall it constitute a waiver of the Library's right to claim damages, refuse payment or to take any other action available to it.

Section 2.03 Conflicts of Interest

The Contractor represents and warrants that neither it, nor any of its directors, officers, members, partners or employees, has any interest nor shall they acquire any interest, directly or indirectly, which would or may conflict in any manner or degree with the performance or rendering of the services herein provided. The Contractor represents and warrants that in the performance of this Agreement, no person having such interest or possible interest shall be employed by or connected with the Contractor. No trustee, officer or employee of the Library shall participate in any decision relating to the Agreement which affects his or her personal interest or the interest of any corporation, partnership or association in which he or she is, directly or indirectly, interested, nor shall any such person have any interest, direct or indirect, in this Agreement or in the proceeds thereof.

Section 2.04 Fair Practices

A. The Contractor, and each person signing on behalf of the Contractor, represents, warrants, and certifies, under penalty of perjury, that to the best of its, his or her knowledge and belief:

1. The prices in this Agreement have been arrived at independently without collusion, consultation, communication or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any competition;

2. Unless otherwise required by law, the prices that have been quoted in this Agreement and on the bid or proposal submitted by the Contractor have not been knowingly disclosed by the Contractor prior to the proposal opening, directly or indirectly, to any competitor; and

3. No attempt has been made or will be made by the Contractor to induce any other person, partnership or corporation to submit or not to submit a bid or proposal for the purpose of restricting competition.

B. The fact that the Contractor: (i) has published price lists, rates, or tariffs covering items being procured; (ii) has informed prospective customers of proposed or pending publication of new or revised price lists for such items; or (iii) has sold the same items to other customers at the same prices being bid, does not, in itself, constitute a disclosure within the meaning of this Section.

Section 2.05 Vendor Responsibility

A. The Contractor represents and warrants that it and its principals have duly completed, executed, and submitted to the Library its Vendor Responsibility Questionnaire. The Contractor understands that the Library's reliance upon the completeness and veracity of the information stated therein is a material condition to the execution of this Agreement, and represents and warrants that the information it and its principals have provided is accurate and complete.

B. The Contractor affirms that: (1) it has not been declared not responsible, or disqualified, by any agency of the City of New York or the State of New York; and (2) there is no action pending against it relating to its responsibility or qualification(s) to receive public contracts.

Section 2.06 Bankruptcy and Reorganization

In the event that the Contractor files for bankruptcy or reorganization under Chapters Seven or Eleven of the United States Bankruptcy Code, the Contractor shall disclose such action to the Library within seven (7) days of filing for bankruptcy or reorganization.

ARTICLE 3 - ASSIGNMENT AND SUBCONTRACTING

Section 3.01 Assignment

A. The Contractor shall not assign, transfer, convey or otherwise dispose of this Agreement, or the right to execute it, or the right, title or interest in or to it or any part of it, or assign, by power of attorney or otherwise, any of the monies due or to become due under this Agreement, without the prior written consent of the Library. The giving of any such consent to a particular assignment shall not dispense with the necessity of such consent to any further or other assignments. Any such assignment, transfer, conveyance or other disposition without such written consent shall be void.

B. Before entering into any such assignment, transfer, conveyance or other disposal of this Agreement, the Contractor shall submit a written request for approval to the Library giving the name and address of the proposed assignee. Upon the request of the Library, the Contractor or the proposed assignee shall provide the proposed assignee's Vendor Responsibility Questionnaire and any other information demonstrating that the proposed assignee has the necessary facilities, skill, integrity, past experience and financial resources to perform the specified services in accordance with the terms and conditions of this Agreement. The Library shall make a final determination in writing, either approving or disapproving the proposed assignee, after receiving all requested information.

C. Failure to obtain the prior written consent to such an assignment, transfer, conveyance or other disposition may result in the revocation and annulment of this Agreement, at the sole option of the Library. The Library shall thereupon be relieved and discharged from any further liability and obligation to the Contractor, its assignees or transferees, who shall forfeit all monies earned under this Agreement.

Section 3.02 Subcontracting

A. The Contractor shall not enter into any subcontract for the performance of its obligations, whether in whole or in part, under this Agreement without the prior written approval by the Library.

B. Prior to entering into any subcontract, the Contractor shall submit a written request for the approval of the proposed subcontractor to the Library giving the name and address of the proposed subcontractor and the portion of the services that the subcontractor is to perform and furnish. Upon the request of the Library, the Contractor or the proposed subcontractor shall provide the proposed subcontractor's Vendor Responsibility Questionnaire and any other information demonstrating that the proposed subcontractor has the necessary facilities, skill, integrity, past experience and financial resources

to perform the specified services in accordance with the terms and conditions of this Agreement. The Library shall make a final determination in writing, either approving or disapproving the subcontractor, after receiving all requested information.

C. All subcontracts must be in writing and shall contain provisions specifying that:

1. The work performed by the subcontractor must be in accordance with the terms of the Agreement between the Library and the Contractor;

2. Nothing contained in the agreement between the Contractor and the subcontractor shall impair the rights of the Library; and

3. Nothing contained in the agreement between the Contractor and the subcontractor, or under the Agreement between the Library and the Contractor, shall create any contractual relationship between the subcontractor and the Library.

D. The Contractor agrees that it is as fully responsible to the Library for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by such subcontractors as it is for the acts and omissions of any person directly employed by it.

E. For determining the value of a subcontract, all subcontracts with the same subcontractor shall be aggregated.

F. The Library may revoke the approval of a subcontractor granted pursuant to Paragraphs (A) and (B) of this section if revocation is deemed to be in the interest of the Library. If revoked, the Library will submit its revocation in writing on no less than ten (10) days notice unless a shorter period is warranted by considerations of health, safety, integrity issues or other similar factors. Upon the effective date of such revocation, the Contractor shall cause the subcontractor to cease all work under the Agreement. The Library shall not incur any further obligation for services performed by such subcontractor pursuant to this Agreement beyond the effective date of the revocation. The Library shall pay for services provided by the subcontractor in accordance with this Agreement prior to the effective date of revocation.

G. The Library's approval of a subcontractor shall not relieve the Contractor of any of its responsibilities, duties, and liabilities under this Agreement. At the request of the Library, the Contractor shall provide the Library a copy of any subcontract.

H. Individual employer-employee contracts are not subcontracts subject to the requirements of this Section.

ARTICLE 4 - LABOR PROVISIONS

Section 4.01 Independent Contractor Status

Contractor acknowledges that it is solely an independent contractor and that nothing in this Agreement shall be construed to create an employment, agency, partnership or any type of relationship other than that of an independent contractor with the Library. Contractor further acknowledges that

Contractor is not an employee of the Library, and is not entitled to any of the Library employment rights or benefits. The Library shall not be responsible for payment of workers' compensation, disability benefits, or unemployment insurance, or for withholding or paying employment-related taxes for Contractor. In the event that any federal, state or local government agency, any court or any other applicable entity determines that Contractor hereunder is an employee of the Library for any purpose, Contractor agrees to indemnify and hold harmless the Library from all liabilities, costs, and expenses (including, but not limited to, attorneys' fees) associated with such determination.

Section 4.02 Employees

All persons who are employed by the Contractor and all consultants or independent contractors who are retained by the Contractor to perform services under this Agreement are neither employees of the Library nor under contract with the Library. The Contractor, and not the Library, is responsible for their work, direction, compensation, and personal conduct while engaged under this Agreement. Nothing in the Agreement shall impose any liability or duty on the Library for the acts, omissions, liabilities or obligations of the Contractor, or any officer, employee, or agent of the Contractor, or for taxes of any nature, or for any right or benefit applicable to a trustee, officer or employee of the Library, including, but not limited to, Workers' Compensation coverage, Disability Benefits coverage, Unemployment Insurance benefits, Social Security coverage or employee retirement membership or credit. Except as specifically stated in this Agreement, nothing in this Agreement shall impose any liability or duty on the Library to any person or entity.

Section 4.03 Removal of Individuals Performing Work

The Contractor shall not have anyone perform work under this Agreement who is not competent, faithful, and skilled in the work for which he or she shall be employed. Whenever the Library shall inform the Contractor, in writing, that any individual is, in the Library's opinion, incompetent, unfaithful or unskilled, such individual shall no longer perform work under this Agreement. Prior to making a determination to direct a Contractor that an individual shall no longer perform work under this Agreement, the Library shall provide the Contractor an opportunity to be heard on no less than five (5) days' written notice. The Library may direct the Contractor to remove the individual from the worksite under the Agreement pending the opportunity to be heard and the Library's determination.

Section 4.04 Working Hours

Contractor, including its employees and any consultants or independent contractors retained by it, shall observe the working hours, working rules, holiday schedules, and policies of the Library while working on the Library premises.

Section 4.05 Occupational Safety and Health Standards

Prior to the commencement of work, as applicable, and in accordance with the New York State Right to Know Law and the Official Codes of the State of New York, the Contractor shall be required to provide the Library with a list of chemicals and copies of Material Safety Data Sheets for any chemicals that will be used or stored on Library property.

Section 4.06 Quiet Enjoyment

Inspections, repairs, and installations shall be performed in a manner so as to minimize

interruption to the Library's operations, as applicable and feasible.

Section 4.07 Execution of Work

A. Contractor and its subcontractors, if any, shall carry out all work to the highest standard of workmanship, and all materials used shall be free from defects and fit for the purpose for which they have been acquired from companies or individuals, and shall comply with all applicable federal, state, city, and local codes/ordinances, or agencies having jurisdiction. All goods, materials, and services provided hereunder shall comply with this Agreement's requirements, and shall be to the satisfaction of the Library. All work shall be monitored regularly by Contractor to ensure that no defects occur to the workmanship, or that there are no material failings.

If a violation is assessed by the Library, Contractor or any of Contractor's subcontractors, for work either performed by Contractor or its subcontractors, or for an error or omission made by Contractor at the Project Site, or is applicable to the work that Contractor or its subcontractors is performing at the Project Site, Contractor shall be solely liable and responsible for any penalties and damages incurred. In addition, if a notice of violation is received at the Project Site, Contractor shall: (1) notify the project manager within 24 hours and forward immediately all notices to the Library; (2) timely cure the violation(s) in accordance with applicable government regulations, at its own expense; (3) appear at any and all violation hearings or administrative proceedings, as necessary, until the matter is fully resolved and disposed of; (4) pay any and all fines and interest accrued as a result of the violation; and (5) cooperate with the Library and project management team, and respond within 72 hours to any and all requests for information and documentation related to the violation(s) or work performed.

B. All work performed and all materials furnished shall be subject to inspection and approval by the Library.

C. Punch-list items shall be completed by Contractor within five (5) working days of the issuance of a punch list by the Library. The Library may withhold ten percent (10%) of the value of any job for work performed until completion of punch list items, and the Contractor has performed appropriate clean-up of the Project Site, as required.

Section 4.08 Materials and Installation

A. Materials and installation shall be of first-class quality, conform to best commercial practices, and shall be in compliance with all code requirements of agencies having jurisdiction over the Contractor, the Library, and the Project Site.

B. Contractor shall maintain sufficient stock of spare parts and materials necessary for maintenance and repair and shall have access to required replacement parts so as not to delay the performance of the Services under this Agreement. All parts used in the Services shall be of first class quality, OEM, or recommended by manufacturer, as applicable, or approved by the Library as equal.

C. Contractor shall be responsible to file with the New York City Buildings Department and/or other agencies, as required, permit, inspection, testing application documents, as appropriate per specific job conditions and/or scope of work.

D. Contractor shall be responsible to field verify the site conditions of the Project Site, bringing any discrepancies or other conditions affecting the work to the attention of the Library prior to

commencing work.

E. Contractor shall be responsible to notify the Library prior to scheduling major repair work or other maintenance which would require the shutting down of a system, so as to coordinate with the operating schedule at that location in an effort to limit interruption to public service operations. The Library shall provide reasonable access as required to all equipment for service and repair.

F. In the event work requires interruption of public service, the Contractor shall notify the Library at least thirty (30) days prior to scheduling work, in order to coordinate the project. This section applies to the need by the Contractor to perform excavation/demolition, erect scaffolding, barriers, or other related work as necessary, for which the Contractor shall be responsible for set-up/tear-down and for securing any permits as required.

G. Contractor shall remove from the Project Site all rubbish, debris, waste material, temporary structures, or other materials, upon completion of work.

Section 4.09 Guarantee for Materials and Labor

Contractor shall provide a two (2) year guarantee for materials and labor from the date of acceptance of work in writing by an authorized representative of the Library (the "Guarantee Period"), in addition to any written guarantees or warranties provided by equipment or materials manufacturers, as applicable. Any materials or work that is or becomes defective during the Guarantee Period shall be replaced by the Contractor with the understanding that all replacements shall carry the same guarantee as the original equipment or materials. Such replacements shall be made immediately upon receiving notification from the Library.

ARTICLE 5 - RECORDS, AUDITS, AND REPORTS

Section 5.01 Books and Records

The Contractor agrees to maintain accurate books, records, documents, and other evidence, and to utilize appropriate accounting procedures and practices, which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Agreement.

Section 5.02 Retention of Records

The Contractor agrees to retain all books, records, and other documents relevant to this Agreement, including those required pursuant to Section 5.01, for six (6) years after the final payment or expiration or termination of this Agreement, or for a period otherwise prescribed by Law, whichever is later. In addition, if any litigation, claim or audit concerning this Agreement has commenced before the expiration of the six-year period, the records must be retained until the completion of such litigation, claim or audit. Any books, records, and other documents that are created in an electronic format in the regular course of business may be retained in an electronic format. Any books, records, and other documents that are created in the regular course of business as a paper copy may be retained in an electronic format provided that the records satisfy the requirements of New York Civil Practice Law and Rules ("CPLR") 4539(b), including the requirement that the reproduction is created in a manner "which does not permit additions, deletions, or changes without leaving a record of such additions, deletions, or

changes.” Furthermore, the Contractor agrees to waive any objection to the admissibility of any such books, records or other documents on the grounds that such documents do not satisfy CPLR 4539(b).

Section 5.03 Inspection

A. At any time during the Agreement or during the record retention period set forth in section 5.02, the Library and any other persons duly authorized by the Library shall, upon reasonable notice, have full access to and the right to examine and copy all books, records, and other documents maintained or retained by or on behalf of the Contractor pursuant to this Article.

B. The Library shall have the right to have its representatives present to observe the services being performed.

C. The Contractor shall not be entitled to final payment until the Contractor has complied with any request for inspection or access given under this Section.

Section 5.04 Audit

A. This Agreement and all books, records, documents, and other evidence required to be maintained or retained pursuant to this Agreement, including all vouchers or invoices presented for payment and the books, records, and other documents upon which such vouchers or invoices are based (e.g., reports, cancelled checks, accounts, and all other similar material), are subject to audit by the Library and other persons duly authorized by the Library.

B. The Contractor shall submit any and all documentation and justification in support of expenditures or fees under this Agreement, as may be required by the Library.

C. The Contractor shall not be entitled to final payment until the Contractor has complied with the requirements of this Section.

Section 5.05 No Removal of Records from Premises

Where performance of this Agreement involves use by the Contractor of any Library books, records, documents or data, whether in hard copy or electronic or other format now known or developed in the future, at Library locations, facilities or offices, the Contractor shall not remove any such data (in the format in which it originally existed, or in any other converted or derived format) from such location, facility or office without the prior written approval of the Library’s designated official. Upon the request by the Library at any time during the Agreement or after the Agreement has expired or terminated, the Contractor shall return to the Library any Library books, records, documents or data that has been removed from Library premises.

Section 5.06 Electronic Records

As used in this Agreement, the terms books, records, documents, and other data refer to electronic versions, as well as hard copy versions.

Section 5.07 Confidentiality

A. The Contractor agrees to hold confidential, both during and after the completion or

termination of this Agreement, all of the reports, information or data, furnished to, or prepared, assembled or used by, the Contractor under this Agreement (“Confidential Information”). The Contractor agrees that such Confidential Information shall not be made available to any person or entity without the prior written approval of the Library. The Contractor agrees to maintain the confidentiality and privacy of such Confidential Information by using no less than a reasonable degree of care. In the event that the data contains social security numbers or other Personal Identifying Information, as such term is defined in Paragraph B of this Section, the Contractor shall utilize best practice methods (e.g., encryption of electronic records) to protect the confidentiality of such data.

B. The Contractor shall provide notice to the Library within three (3) days of the discovery by the Contractor of any breach of security of any data, whether such data was encrypted or not, in use by the Contractor that contains social security numbers or other (“Personal Identifying Information”), where such breach of security arises out of the acts or omissions of the Contractor or its employees, subcontractors or agents. Upon the discovery of such security breach, the Contractor shall take reasonable steps to remediate the cause or causes of such breach, and shall provide notice to the Library of such steps. In the event of such breach of security, without limiting any other right of the Library, the Library shall have the right to withhold further payments under this Agreement for the purpose of set-off in sufficient sums to cover the costs of notifications or other actions mandated by any Law, or administrative or judicial order, to address the breach, and including any fines or disallowances imposed by the State or federal government as a result of the disclosure. The Library shall also have the right to withhold further payments hereunder for the purpose of set-off in sufficient sums to cover the costs of credit monitoring services for the victims of such a breach of security by a national credit reporting agency or any other commercially reasonable preventive measure. The Library shall provide the Contractor with written notice and an opportunity to comment on such measures prior to implementation. Alternatively, at the Library’s discretion, or if monies remaining to be earned or paid under this Agreement are insufficient to cover the costs detailed above, the Contractor shall pay directly for the costs, detailed above, if any.

C. The Contractor shall allow only those persons who have a legitimate work-related basis to access information under this Agreement to access Confidential Information. The Contractor agrees that it will instruct its officers, employees, and agents to maintain the confidentiality of any and all Confidential Information.

D. The Contractor, and its officers, employees, and agents shall notify the Library, at any time either during or after completion or termination of this Agreement, of any intended statement to the press or any intended issuing of any material for publication in any media of communication (e.g., print, television, radio, Internet) regarding the services provided or the data collected pursuant to this Agreement, at least twenty-four (24) hours prior to any statement to the press or at least five (5) business days prior to the submission of the material for publication, or such shorter periods as are reasonable under the circumstances. The Contractor may not issue any statement or submit any material for publication that includes Confidential Information as prohibited by this Section.

E. At the request of the Library, the Contractor shall return to the Library any and all Confidential Information in the possession of the Contractor or its subcontractors. If the Contractor or its subcontractors are legally required to retain any Confidential Information, the Contractor shall notify the Library in writing and set forth the Confidential Information that it intends to retain and the reasons why it is legal basis for retention. The Contractor shall confer with the Library, in good faith, regarding any issues that arise from the Contractor retaining such confidential information. If the Library does not request such information, or the Law does not require otherwise, such information shall be maintained in

accordance with the requirements set forth in Section 5.02.

F. A breach of this Section shall constitute a material breach of this Agreement for which the Library may terminate this Agreement pursuant to Article 10. The Library reserves any and all other rights and remedies in the event of unauthorized disclosure.

ARTICLE 6 - COPYRIGHTS, PATENTS, INVENTIONS AND ANTITRUST

Section 6.01 Copyrights

A. Any reports, documents, data, photographs, deliverables or other materials produced pursuant to this Agreement, and any and all drafts or other preliminary materials, in any format, related to such items produced pursuant to this Agreement, shall upon their creation become the exclusive property of the Library.

B. Any reports, documents, data, photographs, deliverables, or other materials provided pursuant to this Agreement (“Copyrightable Materials”) shall be considered “works-made-for-hire” within the meaning and purview of Section 101 of the United States Copyright Act, 17 U.S.C. § 101, and the Library shall be the sole copyright owner of all aspects, elements, and components thereof in which copyright protection might exist. To the extent that the Copyrightable Materials do not qualify as “works-made-for-hire”, the Contractor hereby irrevocably transfers, assigns, and conveys exclusive copyright ownership in and to the Copyrightable Materials to the Library, free and clear of any liens, claims or other encumbrances. The Contractor shall retain no copyright or intellectual property interest in the Copyrightable Materials. The Copyrightable Materials shall be used by the Contractor for no purpose other than to perform its duties and obligations under this Agreement without the prior written consent of the Library. The Library may grant the Contractor a license to use the Copyrightable Materials on such terms as determined by the Library and set forth in the license.

C. The Contractor acknowledges that the Library may, in its sole discretion, register the Copyrightable Materials with the United States Copyright Office or any other government agency authorized to grant copyright registrations. The Contractor shall fully cooperate in this effort, and agrees to provide any and all documentation necessary to the Library in order to successfully apply for copyright registration in and to the Copyrightable Materials.

D. The Contractor represents and warrants that the Copyrightable Materials: (i) are wholly original material not published elsewhere (except for material that is in the public domain); (ii) do not violate any copyright law; (iii) do not constitute defamation or an invasion of the right of privacy or publicity; and (iv) are not an infringement, of any kind, on the rights of any third party. To the extent that the Copyrightable Materials incorporate any non-original material, the Contractor represents and warrants that it has obtained all necessary permissions and clearances, in writing, for the use of such non-original material under this Agreement, copies of which shall be provided to the Library upon execution of this Agreement.

E. If the Contractor publishes a work dealing with any aspect of performance under this Agreement or with the results of such performance, the Library shall have a royalty-free, non-exclusive, irrevocable license to reproduce, publish or otherwise use such work for Library purposes.

Section 6.02 Patents and Inventions

The Contractor shall promptly and fully report to the Library any discovery or invention arising out of or developed in the course of performance of this Agreement.

Section 6.03 Pre-existing Rights

In no case shall Sections 6.01 and 6.02 apply to, or prevent the Contractor from asserting or protecting its rights in any discovery, invention, report, document, data, photograph, deliverable, or other material in connection with or produced pursuant to this Agreement that existed prior to or was developed or discovered independently from the activities directly related to this Agreement.

Section 6.04 Antitrust

The Contractor hereby assigns, sells, and transfers to the Library all right, title and interest in and to any claims and causes of action arising under the antitrust laws of the State or of the United States relating to the particular goods or services procured by the Library under this Agreement.

ARTICLE 7 - PROTECTION OF PERSONS AND PROPERTY

Section 7.01 Reasonable Precautions

The Contractor shall take all reasonable precautions to protect all persons and the property of the Library and of others from damage, loss or injury resulting from the Contractor's and/or its subcontractors' operations under this Agreement.

Section 7.02 Protection of Library Property

The Contractor assumes the risk of, and shall be responsible for, any loss or damage to Library property, including property and equipment leased by the Library, used in the performance of this Agreement, where such loss or damage is caused by any tortious act, or failure to comply with the provisions of this Agreement or of Law by the Contractor, its officers, employees, agents or subcontractors.

Section 7.03 Withholding of Payments

A. In the event that any claim is made or any action is brought against the Library for which the Contractor may be required to indemnify the Library pursuant to this Agreement, the Library shall have the right to withhold further payments under this Agreement for the purpose of setting-off in sufficient sums to cover the initiated claim or action.

B. In the event that any Library property is lost or damaged as set forth in Section 8.02, except for normal wear and tear, the Library shall have the right to withhold further payments under this Agreement for the purpose of setting-off in sufficient sums to cover such loss or damage.

C. The Library shall not, however, impose a setting-off in the event that an insurance company that provided liability insurance pursuant to Article 7 above, has accepted the Library's tender of the claim or action without a reservation of rights.

D. The Library may, at its option, withhold for purposes of setting-off any monies due to the Contractor under this Agreement up to the amount of any disallowances or questioned costs resulting from any audits of the Contractor or to the amount of any overpayment to the Contractor with regard to this Agreement.

E. The rights and remedies of the Library provided for in this Section shall not be exclusive and are in addition to any other rights and remedies provided by Law or this Agreement.

Section 7.04 No Third-Party Rights

ARTICLE 8 - CONTRACT CHANGES

Section 8.01 Agreement Changes

Any amendment or change to this Agreement shall not be valid unless made in writing and signed by authorized representatives of both Parties. Contractors deviating from the requirements of this Agreement without a duly approved and executed change order document, or written contract modification or amendment, do so at their own risk.

Section 8.02 Changes Through Fault of Contractor

In the event that any change is required to the data, documents, deliverables or other services to be provided under this Agreement, because of negligence or error of the Contractor, no additional compensation shall be paid to the Contractor for making such change, and the Contractor shall be obligated to make such change without additional compensation.

Section 8.03 Additional Services

A. Contractor may provide services not initially covered under the Agreement (“Additional Services”) without invalidating the Agreement. However, Contractor may not perform such Additional Services without first receiving written authorization from the Library.

B. If Contractor recognizes the need for Additional Services, it shall promptly notify the Library and explain the basis for the need. Contractor shall not proceed with any such Additional Services until it has received written authorization from the Library.

C. Except where such Additional Services are required due to the negligence or error of the Contractor, Additional Services provided by Contractor shall entitle Contractor to compensation pursuant to a schedule to be agreed upon by both Parties (“Additional Services Schedule”).

D. The Library shall have the right to alter the Services, provided however, that if Contractor believes that any work or services it has been directed to perform as a result of such alteration constitute Additional Services, Contractor shall notify the Library within three (3) days of such directive, and the Library shall determine whether such altered services are either (i) within the Scope of Services, or (ii) Additional Services to be billed pursuant to the Additional Services Schedule.

ARTICLE 9 - TERMINATION AND DEFAULT

Section 9.01 Termination by the Library Without Cause

A. The Library shall have the right to terminate this Agreement, in whole or in part, without cause, in accordance with the procedures set forth below at Section 10.04.

B. If the Library terminates this Agreement pursuant to this Section, the following provisions shall be applicable: (i) the Library shall not incur or pay any further obligation pursuant to this Agreement beyond the termination date set by the Library pursuant to Section 10.04; (ii) the Library shall pay for services provided in accordance with this Agreement prior to the termination date; (iii) any obligation necessarily incurred by the Contractor on account of this Agreement prior to receipt of notice of termination and falling due after the termination date shall be paid by the Library in accordance with the terms of this Agreement; and (iv) in no event shall such obligation be construed as including any lease or other occupancy agreement, oral or written, entered into between the Contractor and its landlord.

Section 9.02 Contractor Default

A. The Library shall have the right to declare the Contractor in default:

1. Upon a breach by the Contractor of a material term or condition of this Agreement, including unsatisfactory performance of the services;

2. Upon insolvency or the commencement of any proceeding by or against the Contractor, either voluntarily or involuntarily, under the Bankruptcy Code or relating to the insolvency, receivership, liquidation or composition of the Contractor for the benefit of creditors;

3. If the Contractor refuses or fails to proceed with the services under the Agreement when and as directed by the Library;

4. If the Contractor or any of its officers, directors, partners, five percent (5%) or greater shareholders, principals or other employee or person substantially involved in its activities are indicted or convicted after execution of the Agreement under any state or federal law of any of the following:

- a. a criminal offense incident to obtaining or attempting to obtain or performing a public or private contract;
- b. fraud, embezzlement, theft, bribery, forgery, falsification or destruction of records, or receiving stolen property;

B. The right to declare the Contractor in default shall be exercised by sending the Contractor a written notice of the conditions of default, setting forth the ground or grounds upon which such default is declared ("Notice of Default"). The Contractor shall have ten (10) days from its receipt of the Notice of Default to cure the conditions giving rise to its default or any longer period, if one is set forth in the Notice of Default. The Library may temporarily suspend services under the Agreement pending the outcome of the default proceedings pursuant to this Section.

C. If the conditions set forth in the Notice to Cure are not cured within the period set forth in the Notice to Cure, the Library may declare the Contractor in default pursuant to this Section, in accordance with the provisions of Section 10.04

completion, which shall include the cost of re-letting. Should the expense of such completion exceed the total sum which would have been payable under this Agreement if it had been completed by the Contractor, any excess shall be promptly paid by the Contractor upon demand by the Library. The excess expense of such completion, including any and all related and incidental costs, and any liquidated damages assessed against the Contractor, may be charged against and deducted out of monies earned by the Contractor.

Section 9.03 Force Majeure

Such events may include, but are not limited to, fire, flood, earthquake, storm or other natural disaster, civil commotion, war, terrorism, riot, and labor disputes not brought about by any act or omission of the Contractor.

B. In the event that the Contractor cannot comply with the terms of the Agreement (including any failure by the Contractor to make progress in the performance of the services), because of a Force Majeure Event, then the Contractor may ask the Library to excuse its nonperformance and/or terminate the Agreement. If the Library, in its reasonable discretion, determines that the Contractor cannot comply with the terms of the Agreement because of a Force Majeure Event, then the Library shall excuse the nonperformance and may terminate the Agreement. Such a termination shall be deemed to be without cause.

C. If the Library terminates the Agreement pursuant to this Section, then: (1) the Library shall not incur or pay any further obligation pursuant to this Agreement beyond the termination date; (2) the Library shall pay for services provided in accordance with this Agreement prior to the termination date; (3) any obligation necessarily incurred by the Contractor on account of this Agreement prior to receipt of notice of termination and falling due after the termination date shall be paid by the Library in accordance with the terms of this Agreement; and (4) in no event shall such obligation be construed as including any lease or other occupancy agreement, oral or written, entered into between the Contractor and its landlord.

A. The Library shall give the Contractor written notice of any termination of this Agreement. Such notice shall specify the applicable provision(s) under which the Agreement is terminated and the effective date of the termination. Except as otherwise provided in this Agreement, the notice shall comply with the provisions of this Section. For termination without cause, the effective date of the termination shall not be less than ten (10) days from the date the notice is personally delivered, or fifteen (15) days from the date the notice is sent by recognized overnight express carrier (e.g., Federal Express or UPS), sent by certified mail, return receipt requested, or sent by facsimile or electronic mail and deposited in a post office box regularly maintained by the United States Postal Service in an envelope with the postage having been pre-paid. In the case of termination for default, the effective date of the termination shall be as set forth above for a termination without cause or such earlier date as the Library may determine. If the Library terminates the Agreement in part, the Contractor shall continue the performance of the Agreement to the extent not terminated.

B. Upon termination or expiration of this Agreement, the Contractor shall comply with the Library close-out procedures, which include but are not limited to:

4. Submitting to the Library, within ninety (90) days of the Termination Date or expiration date, a final statement and report relating to the Agreement; and

5. Providing reasonable assistance to the Library in the transition, if any, to a new consultant or contractor.

C. If, after notice of termination for default of the Agreement under the provisions of this Article, it is determined for any reason that the Contractor was not in default under the provisions of this Article, or that the default was excusable under the provisions of this Article, then the rights and obligations of the Parties shall be the same as if the notice of termination had been issued pursuant to the termination without cause provisions.

Section 9.05 Miscellaneous Provisions

A. The Library, in addition to any other powers set forth in this Agreement or by operation of Law, may suspend, in whole or in part, any part of the services to be provided under this Agreement whenever, in its judgment, such suspension is required in the best interests of the Library. If the Library suspends this Agreement pursuant to this Section, then the Library shall not incur or pay any further obligation pursuant to this Agreement beyond the suspension date until such suspension is lifted. The Library shall pay for services provided in accordance with this Agreement prior to the suspension date. In addition, any obligation necessarily incurred by the Contractor on account of this Agreement prior to receipt of notice of suspension and falling due during the suspension period shall be paid by the Library in accordance with the terms of this Agreement.

Notwithstanding any other provisions of this Agreement, the Contractor shall not be relieved of liability to the Library for damages sustained by the Library by virtue of the Contractor's breach of this Agreement, and the Library may withhold payments to the Contractor for the purpose of setting-off the amount of damages due to the Library from the Contractor.

ARTICLE 10 - TIMELY PERFORMANCE AND PROMPT PAYMENT

Section 10.01 Timeliness of Performance

Contractor understands that prompt performance of all Services hereunder is required by the Library in order to meet its schedules and commitments. Section 10.02 Prompt Payment

To receive payment, the Contractor shall submit an itemized and detailed invoice, detailing the Services rendered and Deliverables provided, except where the Parties have agreed otherwise in a signed writing executed by the Parties that the Contractor will be paid at predetermined intervals without having to submit an invoice for each scheduled payment. The Library shall remit payment to Contractor within thirty (30) days after receipt and acceptance of an itemized and detailed invoice for Services rendered by the Contractor. Section 11.04 General Release

The acceptance by the Contractor or its assignees of the final payment under this Agreement, whether by check, wire transfer or other means, and whether pursuant to an invoice, voucher, judgment of any court of competent jurisdiction or any other administrative means, shall constitute and operate as a release of the Library from any and all claims of and liability to the Contractor, of which the Contractor was aware or should reasonably have been aware, arising out of the performance of this Agreement based on actions of the Library prior to such acceptance of final payment.

Section 11.05 No Waiver

Waiver by either the Library, or the Contractor of a breach of any provision of this Agreement shall not be deemed to be a waiver of any other or subsequent breach and shall not be construed to be a modification of the terms of this Agreement unless and until the same shall be agreed to in writing by the Parties as set forth in Section 9.01.

Section 11.06 Release of Liens

Contractor is responsible for execution of a Partial Release of Liens, and providing copies of the same to the Library, prior to payment by the Library to Contractor. If after redelivery the Deliverables still fail the Library's acceptance test procedures, then Contractor shall immediately refund all sums previously paid by the Library relating to said Deliverables and the Library may elect to terminate the Agreement for cause.

Section 13.02 Continuity of Services

Prior to the expiration of this Agreement, the Contractor shall fully cooperate with the Library and assist the Library in the transition of services to a successor consultant, as appropriate. Moreover, the Contractor shall, upon the Library's request, (1) furnish phase-in, phase-out services for up to ninety (90) days after this Agreement terminates; (2) negotiate in good faith a plan with the Library and a successor to determine the nature and extent of phase-in, phase-out services required; (3) exercise its best efforts and cooperation to effect an orderly and efficient transition to a successor.
