

**Best Value Bid
Truck Wrapping
RFP 0921-2
Questions and Answers**

September 27, 2021

- Q1. My only question is in regards to the additional purple box truck in the photos and another purple step van. your bid document states there are 6 vehicles, however there is 1 additional box truck and 1 additional step van in the photos (dropbox) without vehicle numbers (both purple).
- A1. The two trucks in purple wrapping are already done. They were included as samples.
