START

How did you find your first job.(or tell about someone you know)

Should companies require people to retire? Why or why not?

Did you work in your country? Tell us about that job

Do you think children should work? Why or why not?

If you could have any job you wanted, what job would you like? Why?

Working!

???

Tell about your friend or family member's job.

What you like to be a construction worker? Why or why not?

Would you like to be a sales person? Why or why not?

What is the best way to find a job?

Would you rather work indoors or outdoors? Why?

Would you rather be an astronaut or a doctor? Why?

???

START

How did you find your first job.(or tell about someone you know)

Should companies require people to retire? Why or why not?

Talk about the job you had (or someone you know had) in your native country

Do you think children should work? Why or why not?

If you could have any job you wanted, what job would you like? Why?

???

Working!

Tell about a friend or family member with an interesting job.

What kind of job would you **not** like to do?

What makes a good employee?

What is the best way to find a new job?

Would you rather work indoors or outdoors? Why?

Would you rather be an astronaut or a surgeon? Why?

???
